

How will school and I know how my child is doing?

- You will be able to formally discuss your child's progress and share their work at Parents' Evening but you are welcome to make an appointment to speak to your child's class teacher, Mrs Wilkinson (Headteacher) or Mrs Bennett (SENCO) whenever you have a concern.
- Parents of children with the highest level of need will be invited to attend a SEND review every term with the SENCO and class teacher.
- You will receive a detailed written report at the end of the academic year about your child. In addition, all parents with children who have identified special need will meet with the class teacher (and, in some cases, with specialist teachers providing additional support) during the year to review progress and update targets.
- If your child has a statement or Education, Health and Care Plan you will be invited to an annual review each year.
- Sometimes training may be offered for parents if appropriate, for example if your child has been given a diagnosis of Autism.
- Appointments with Mrs Wilkinson or Mrs Bennett can be made by contacting the school office.
- Parents with children in EYFS and The Hub groups will have access to Tapestry to see what their children have been doing at school on a day to day basis.
