DT: Textiles - pouches

Year Group: 2	Subject Focus: DT	Term: Autumn 2

Key facts:

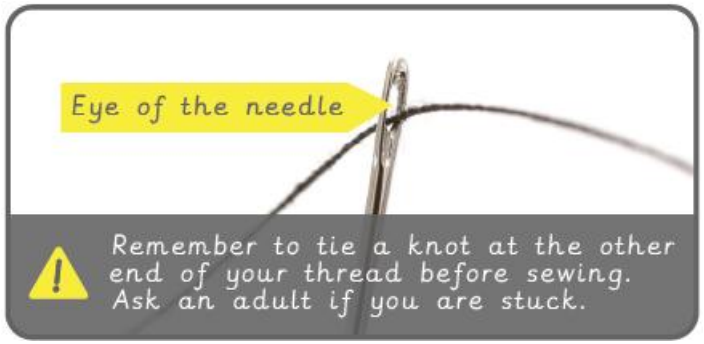

Sewing is good fun. Once you learn how to thread a needle and do a simple running stitch, you can make anything.

Sewing is an important skill. Our clothes are usually sewn by machine, but some are sewn by hand. Can you think of anything else that might be sewn?

Top Tip:

Key words:

decorate	Make something look more attractive by putting things on it.
fabric	A natural, man-made or woven or knitted material.
fabric glue	A special glue that sticks fabric together.
knot	A join made by tying 2 pieces of string or rope together.
needle	A thin pointed metal object with a small hole at one end for thread which is used in sewing.
needle threader	A small sewing tool which helps to pull the thread through the needle.
running stitch	A simple style of sewing in a straight line with no overlapping.
sew	To join or fasten by stitches made using a needle and thread.
template	A stencil which you use to help you draw a shape more easily on to different materials.
thread	A length of a very thin fibre.
